Contractor's obligation to indemnify and defend Owner, District Manager, and Consultant hereunder is absolute, including instances where Owner, District Manager, and Consultant are found potentially liable, responsible or at fault and in those instances where Owner, District Manager, and Consultant's own negligence or actions may have caused the damage or injury in part. Notwithstanding the above, Contractor shall not be required to indemnify and defend Owner, District Manager, and Consultant for damages found by a Court to have been caused solely by Owner, District Manager, or Consultant's gross negligence or the willful, wanton or intentional misconduct of Owner, District Manager, and Consultant or their employees, officers, directors, successors and assigns. Category C - Seasonal Plant Installation Total	\$ _____
Category D - Mulch Total	\$ _____
FIRST YEAR TOTAL CONTRACT PRICE	\$ _____
<i>Second Year Total Contract Price</i>	\$ _____
<i>Third Year Total Contract Price</i>	\$ _____

- 4.1 Payment for Landscape Maintenance (Category A) from the Summary Bid Form attached hereto as Exhibit “B” (collectively, the “Landscape Maintenance Payment”) will be based on 12 equal monthly payments.
- 4.2 Contractor shall submit to the District Manager a monthly invoice for the Landscape Maintenance Payment, together with a detailed statement of all services rendered to the Owner by the Contractor in the preceding month. Within 30 days after receipt of said invoice and statement, the Owner shall remit to the Contractor seventy-five percent (75%) of the Landscape Maintenance Payment, or \$ _____ (the “Base Payment”).
- 4.3 In addition to the Base Payment Fixed Amount of Categories A and B from the Summary Bid Form, portion of the Landscape Maintenance Payment, Contractor may also be entitled to receive a monthly *Performance Payment*TM of twenty-five percent (25%) of the Landscape Maintenance Payment, or \$ _____ (the “*Performance Payment*TM”). The amount of a *Performance Payment*TM, if any, shall be determined as follows: Consultant, Owner or District Manager, and Contractor shall conduct an inspection of the Work performed by the Contractor once per month, and the Consultant shall prepare a Landscape Maintenance Inspection Grade Sheet (see Service Agreement – Exhibit “C”) based on each inspection. Based upon the *Performance Payment*TM percentage (described in Article 8.4 "Grade Evaluation/Scoring") for a month, the Contractor may be entitled to a *Performance Payment*TM for said month based on a score of **Eighty-nine Percent (89%)** or above.
- 4.4 Any *Performance Payment*TM due for a month shall be paid concurrent with the Base Payment Fixed Amount for said month. Consultant will be responsible for scheduling the monthly inspections. Consultant must be given at least 14 days' notice to reschedule. All inspections will proceed as scheduled with or without the attendance of the Contractor.
- 4.5 *Performance Payment*TM is void unless the Consultant performs the monthly landscape maintenance inspection. If Consultant does not perform the monthly landscape maintenance inspection, the Contractor will be entitled to receive the full Landscape

Maintenance Payment for that month.

- 4.6 Payment for Seasonal Color/Perennial Installation and Mulching, Categories C and D from the Proposal Forms, will be invoiced as the Work is completed and approved by Operations Manager on behalf of the Owner.

ARTICLE FIVE – TERMINATION

- 5.1 Owner may terminate this Service Agreement with thirty (30) days’ written notice, at any time prior to the expiration of any term, with or without cause, at Owner’s sole and absolute discretion. The written notice must be transmitted to the Contractor by Certified Mail or hand delivery. The 30-day notice shall commence on the day of actual receipt of said written notice by Contractor.
- 5.2 Contractor may terminate the Service Agreement with sixty (60) days’ written notice with or without cause. Termination notice must be sent to and received by the Owner and/or District Manager by Certified Mail. The 60-day notice shall commence on the day of actual receipt of said written notice by Owner and/or District Manager via Certified Mail or hand delivery.
- 5.3 The table below is to be used in determining the actual dollar amounts owed to either the Owner/District Manager or Contractor in the event the Service Agreement is terminated before the end of a twelve-month period (assuming a leveled billing system). The percentages apply only to Categories A and B from the Summary Bid Form (Exhibit “B”) and are representative of the dollar amount of the actual work performed. To determine this dollar amount, add each month's percentage between the Service Agreement start date and termination date. Multiply this percentage by the A and B total to determine the amount of actual Work done. The difference between this total, compared to the amount actually paid $[1/12 \times (A+B)]$, is the amount owed to either the Owner and/or District Manager or the Contractor.

Mth	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
%	5	6	7	10	10	10	10	10	10	10	7	5

Example:

Category A plus Category B from the Service Agreement Summary Bid Form is \$12,000.00. The Service Agreement start date is January 1. The termination date is July 31. The total of the percentages = 58%. $58\% \times \$12,000 = \$6,960.00$, which represents the actual work done. The actual amount paid was $\$1,000.00/\text{month} \times 7 \text{ months} = \$7,000.00$. Because the actual amount of Work done is less than the actual amount paid, the Contractor owes the Owner and/or District Manager \$40.00.

ARTICLE SIX – SCHEDULING

6.1 Timing

Scheduling of maintenance visits will be determined by the Owner and/or District Manager. Owner and/or District Manager shall be contacted at least 48 hours ahead of time when services cannot be performed by Contractor on schedule and an alternate time shall be scheduled.

Owner and/or District Manager may at any time request alterations to the general maintenance service provided that the Contractor may accomplish the request without incurring additional expense for equipment, materials or labor.

Contractor will notify CDD of subcontractors on site and are fully responsible for subcontractor actions. Contractor will sign in/out at CDD Operations Office (Clubhouse) on arrival and departure. The CDD is to be notified if any scheduled work is to occur on weekends or outside of the normal business week.

ARTICLE SEVEN – BILLING/ADDITIONAL WORK REQUEST

7.1 Billing

It is the Contractor's responsibility to inspect and manage the need for the specified items and frequency of the specified items in Exhibit “B”. It is also the responsibility of the Contractor to notify the Consultant/Owner and/or District Manager (see Article 4.2) of items performed to ensure they do not exceed the frequencies specified on the Category A and B (Maintenance Itemized Bid Forms – Exhibit “B”).

Labor unit prices, including a per supervised man-hour cost and a per labor hour cost, shall be provided for any proposed Contractor work outside the Service Agreement scope that the Owner and/or District Manager requests. Any such Work must be approved in writing by the Owner and/or District Manager before it is begun by the Contractor. When any extra Work is performed and the Owner and/or District Manager deems such work entitles compensation beyond the monthly price of maintenance, the Contractor will complete an additional work request showing:

- a. The number of workmen, their title, and the number of man-hours required to perform the Work.
- b. A brief description of the nature of the Work, a list of materials used, along with an estimate of total cost to complete Work.
- c. All possible associated future costs, i.e., mulch, additional irrigation heads.

ARTICLE EIGHT – LANDSCAPE MAINTENANCE INSPECTIONS

8.1 Weekly Inspections

Contractor is responsible for a weekly inspection of the entire property and for the performance of all items required and referred to in these Specifications.

8.2 Weekly Maintenance Worksheet

Contractor is also responsible for notifying the Owner and/or District Manager and the Consultant through the Weekly Maintenance Worksheet (Exhibit “D”) of any problems. This worksheet must be left with the property manager on the day of the maintenance visit and copies must be sent to OLM on a weekly basis. These forms are very important in protecting Owner and/or District Manager and Contractor when discrepancies occur. Contractor may use its own formatted worksheet form upon approval of the Owner and/or District Manager and/or Consultant. Any items not called to the attention of the Owner and/or District Manager and Consultant that result in any damage to the property will become the liability of the Contractor. The Contractor will make note of completion of Inspection Maintenance Items from the previous Landscape Maintenance Inspection on the Weekly Maintenance Worksheet.

8.3 Monthly Landscape Maintenance Inspection

Owner and/or District Manager and Consultant will perform a monthly site inspection with the Contractor. At that time, the Consultant will compile a list of landscape related items that should be performed before the next site inspection. OLM, INC. will be responsible for scheduling the monthly inspections. OLM, INC. must have no less than a 14-day notice if there is a need to reschedule. All scheduled inspections will proceed with or without the attendance of the Contractor.

8.4 Grade Evaluation/Scoring

Consultant will be responsible for the graded evaluation of the property. The final grade evaluation will be determined by the timely and quality execution of the Contractor's landscape maintenance functions. The Contractor's monthly *Performance Payment*TM will be determined by the final score, based on the form labeled Sample Landscape Maintenance Inspection Grade sheet (Exhibit “C”). Each item listed on the Inspection Form has a specific amount of points from which deductions may be made for the improper execution of each landscape-related task. Items are not scored if the Work is being performed to industry standards.

ARTICLE NINE – COMPLIANCE WITH LAWS

Contractor shall, at its own expense, obtain all necessary permits and licenses required by any federal, state, county or local codes, laws, ordinances and regulations. Contractor will comply with all applicable state, federal, county and local laws, orders and judicial decisions, including, but not limited to matters regarding occupational health and safety.

Contractor shall provide to Owner a written, dated, signed and notarized certification statement of compliance to Federal and State Labor Laws (Form I-9, Employment Eligibility Verification.)

10.3 The rights and remedies of the Parties shall be cumulative and in addition to any other rights and remedies provided by law or equity. A waiver of a breach of any provision hereof shall not constitute a waiver of any other breach. A full twenty-five (25) points will be awarded to the Proposer submitting the lowest bid for Parts 1 - 4 (the Contract Amount). AN AVERAGE OF ALL THREE YEARS PRICING IS TO BE CONSIDERED WHEN AWARDING POINTS FOR PRICING - THE INITIAL TERM AND THE FIRST AND SECOND ANNUAL RENEWALS. All other proposers will receive a percentage of this amount based

upon a formula which divides the low bid by the proposer's bid and is then multiplied by the number of points possible in this part of the Price evaluation. *

* Contractor "A" turns in a bid of \$210,000 and is deemed to be low bid and will receive the full 25 points. Contractor "B" turns in a bid of \$265,000. Bid "A" is divided by Bid "B" then multiplied by the number of points possible (25). $(210,000/265,000) \times 25 = 19.81$, therefore, Contractor "B" will receive 19.81 of 25 possible points. Contractor "C" turns in a bid of \$425,000. Bid "A" is divided by Bid "C" then multiplied by the number of points possible (25). $(210,000/425,000) \times 25 = 12.35$, therefore, Contractor "C" will receive 12.35 of 25 points.
